FOREWORD

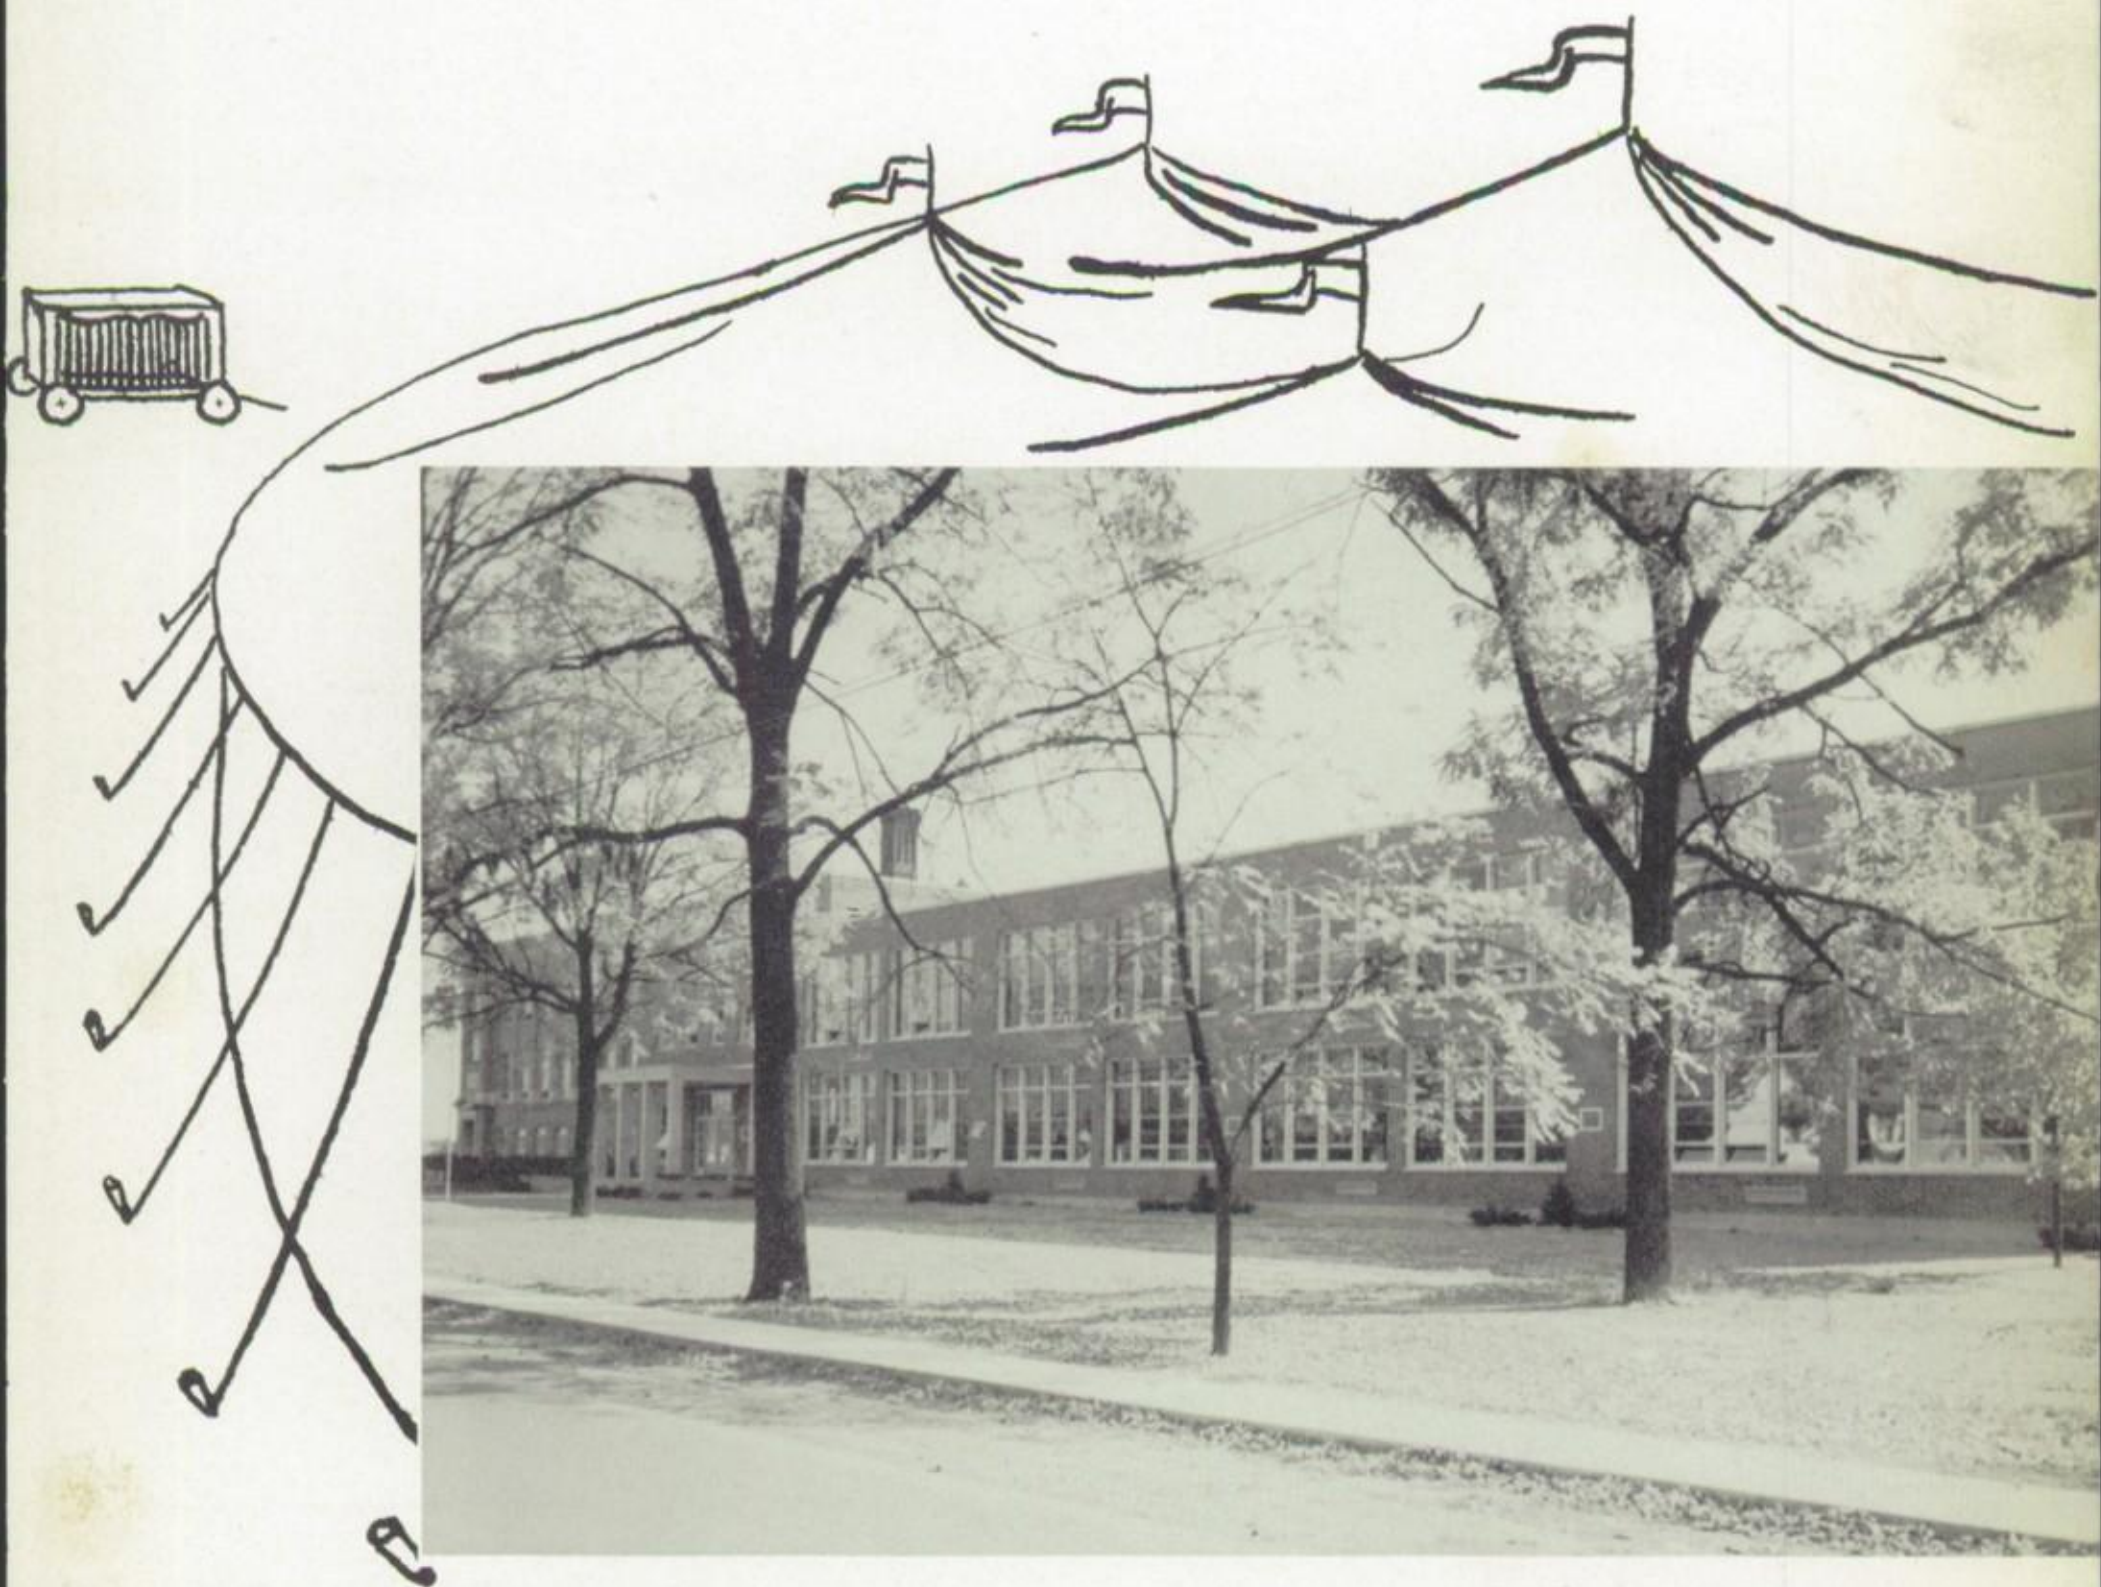

We, the members of the Annual Staff of 1954, have given gladly of our time to prepare this annual in an effort to capture and record for all time the events of this school year. If in the years to come when you look through its pages and old half-forgotten memories are aroused then we will rest assured that our mission has been completed successfully.

DEDICATION

We, the Senior Class of Nineteen hundred Fifty-Four, wish to dedicate this annual to our parents who have loved and helped us. It has been their loving guiding influence that has shaped and molded our characters. Perhaps we haven't always been grateful to them but we would like to show our appreciation now by dedicating this yearbook to them as a token on the interest of the debt we hope to pay in the future.

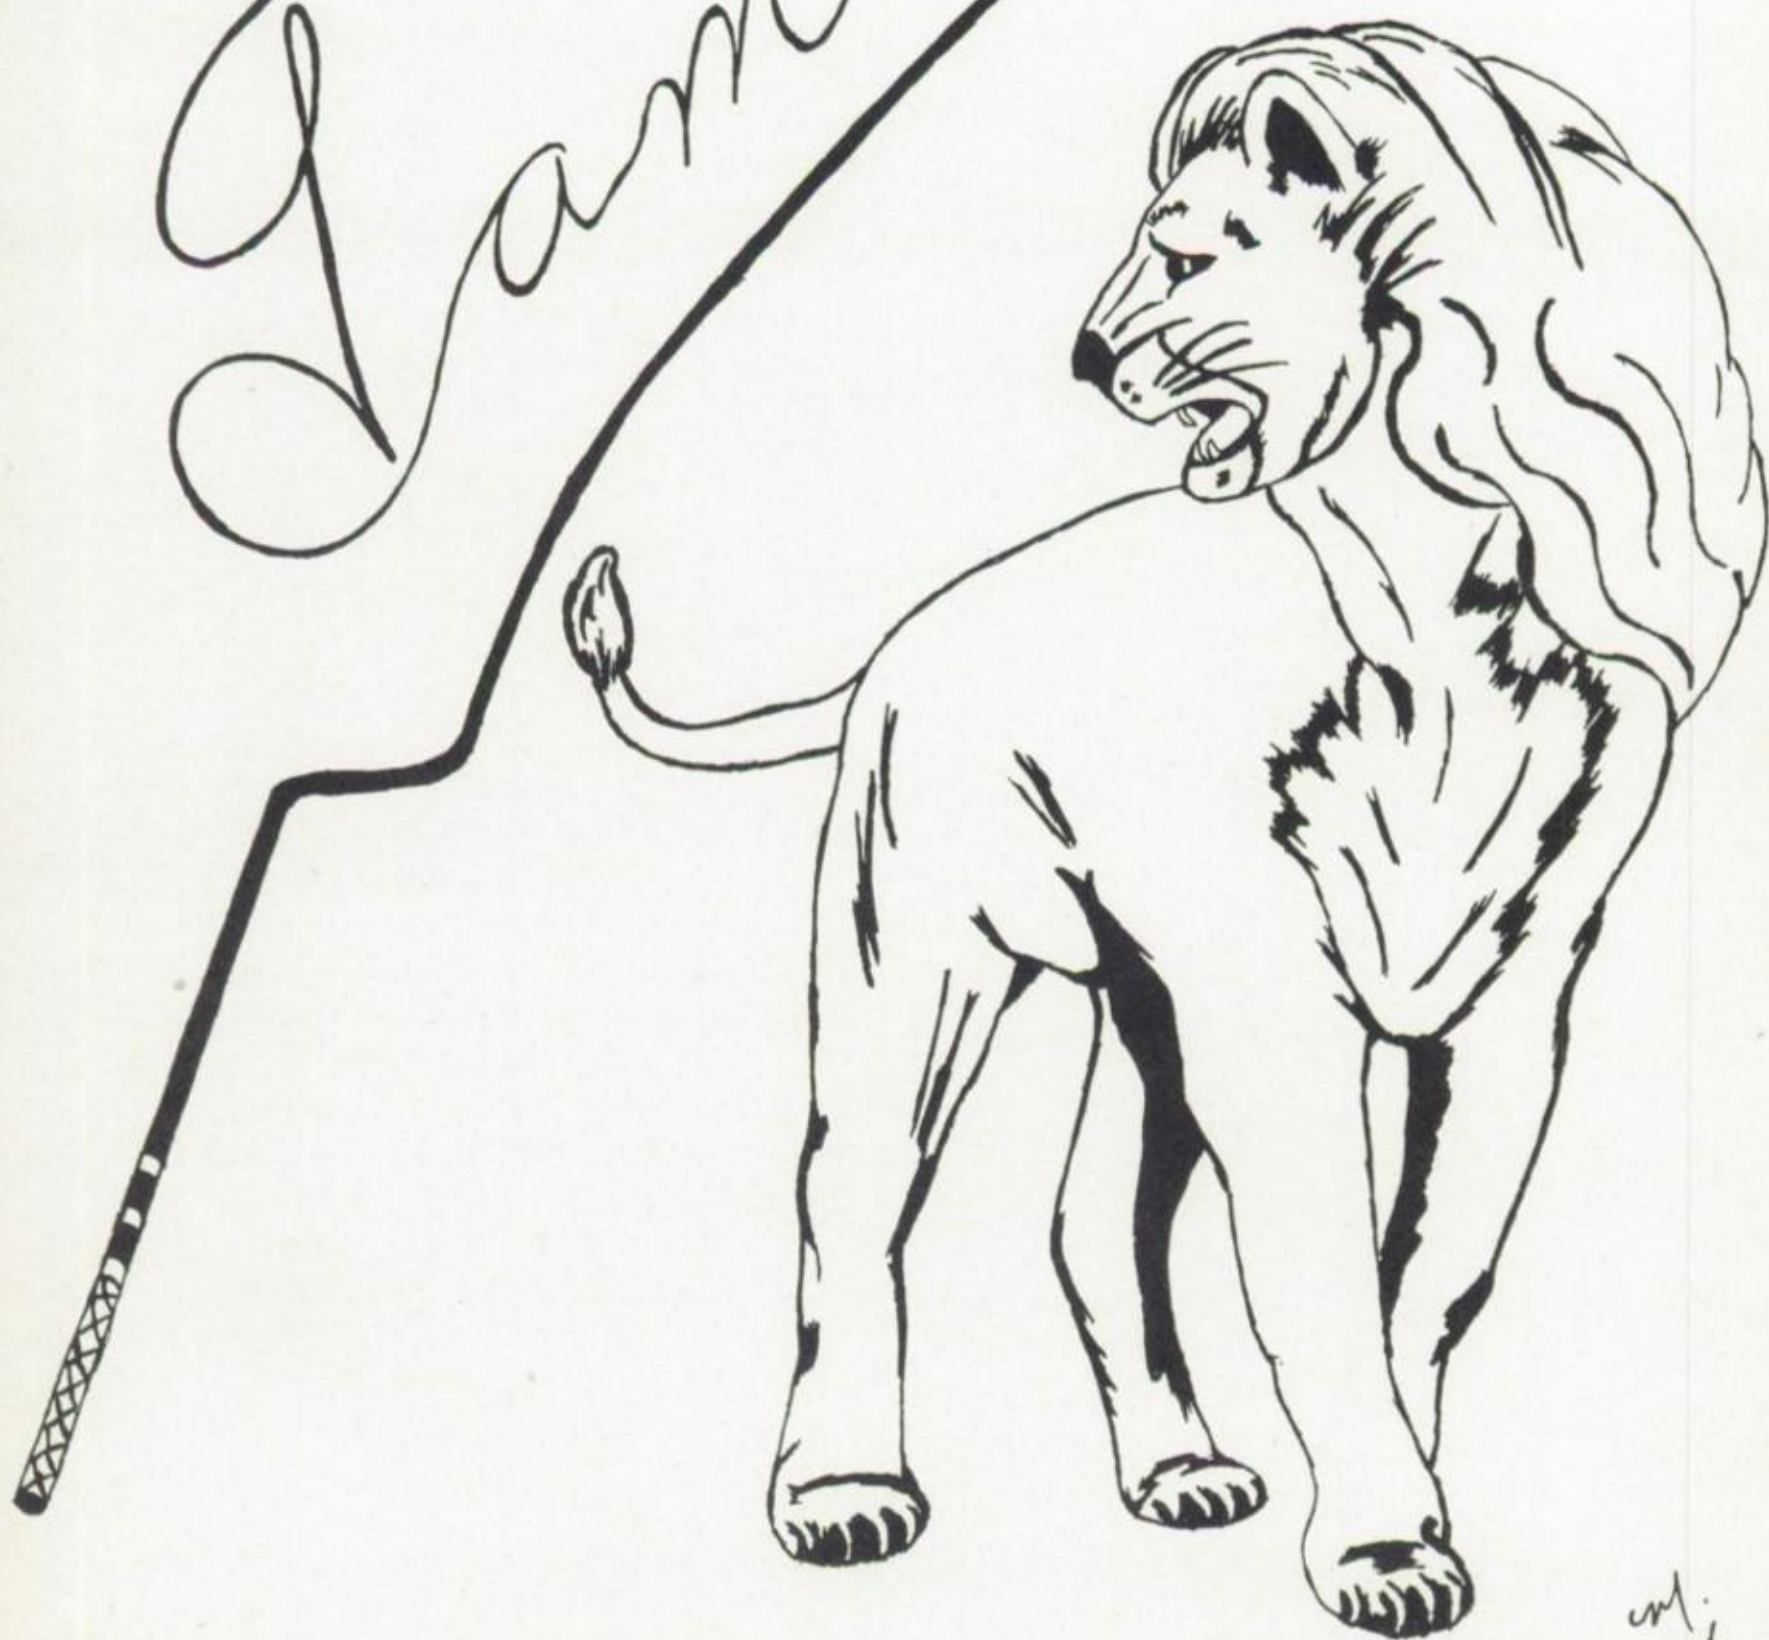

APPRECIATION

Thousands of dollars spent on an education, hundreds of hours of experience, a wealth of knowledge and understanding, a genuine interest in youth....all added to a commendable sense of humor; these things comprise the faculty of the Spencerville School. They are always there, quietly in the background helping and advising us. They too have played an important part in shaping our lives. Sometimes after a snap quiz or a unit test we haven't always been grateful to them for their knowledge and help. But now we would like to say simply thanks.... thanks for all the things you have done for us.

THE POWER TO CHOOSE

One of the abilities which distinguishes man from animal is his ability to choose. Although man has this ability, he must have a social order which will permit him to use it and better still stimulate him to do so. Your school as an institution encourages you to make the best use of your time in making choices and in generally mastering all essential fundamentals. At one time reading, arithmetic, and writing were considered the necessary ones but today they are not sufficient. Since it is possible for knowledge to be used in a fashion which is detrimental to mankind, it is therefore essential that it be directed by the principles and concepts which were so completely formulated and exemplified by our Lord and Master. Your ability to choose will determine the worthwhileness of your life.

Friendship is that condition of social intercourse existing between two persons in which each being fully aware of the faults and short comings of the other still likes, respects, and is willing to sacrifice for the other person.

One author said that one must be a friend in order to have a friend. No lopsidedness is possible, not even a 50-50 basis will do. We must go all out in our respect and devotion or else remain in that twilight of friendship more honestly called acquaintance-ship.

We were created to feel sublimely content and well at ease when we felt the security of true friends about us and could enjoy the mutual socializing that only friends can share.

May it be the goal of each Senior to build such friendships as will make him happy through life, and which will also prove a sound basis for a fine community life. May each Senior find through friendship that partner for life which will make all the world more lovely and put a rainbow in every cloud. May each find that Friend who gives all life a meaning and each soul such a perfect outlook for the future that there will be no "moaning of the bar" when each puts out to sea.

Two new members have joined the ranks of the Spencerville Board of Education this year. They join with the rest in extending their sincere good wishes to the Class of '54 who by the time this message is read will have graduated. It is the hope of the Board of Education that when each senior's book of life has been written it will hold as many pleasant memories as this book with its record of the senior year.

To the familiar melody of "Pomp and Circumstance" played by the Spencerville High School Band the black convertible moved slowly around the track and came to a stop in front of the bleachers. Miss Nancy Hixson and her court were introduced to the fans. Later at the dance sponsored annually by the G. A. A. Nancy was officially crowned Homecoming Queen of 1953 by honorary football captain Norman Young.

The theme of the dance was "Down By The Old Mill Stream." Outstanding on the program were songs by the Stardusters Quartet and a pantomime by Coach Crile and Jean Place. After the program everyone danced until midnight to the music of the Rhapsodiers.

JUNIOR CLASS

The junior class started the year with 56 members, adding one, Keith Young, during the year.

On November 20, 1953 the class play, "If Mother Only Knew," was presented.

Committees were chosen for the preparation of the Junior-Senior Prom and plans were soon under way for this big event.

In May the class enjoyed a trip to Dayton where they visited the National Cash Register, Wright Monument, and Fort Ancient.

The class would like to express their appreciation to their sponsors, Mr. Hausser and Miss Fritz and to the others who also aided in advising. Without their help the year could not have been the success which it was.

SEVENTH GRADE

September 9, 1953, was a red letter day for 51 students, 22 boys and 29 girls, as we proudly entered the seventh grade. We felt highly honored at being the first class to leave the beautiful new grade school building.

We found the change into junior high quite different from our past in the grade school but we have enjoyed it greatly and feel that we are adjusting ourselves to the new way.

Our class is well represented in the band, orchestra, and junior high basketball.

The one highlight of the year was the Christmas party.

Our thanks go to our teachers -- Mrs. Patterson, Mrs. Sarka, Miss Shrider, Mr. Collins, and Miss Deemer and; especially to our sponsors, Mrs. Heidlebaugh and Mr. Collins.

Under the supervision of Mrs. Hiedlebaugh the Future Homemakers of America held their monthly meetings on the second Monday of each month. At these meetings problems of importance to all girls were discussed along with our other projects, which included several bake sales and a successful Harvest Hop which was held in November. Another highlight of the year was the annual Mother and Daughter Banquet, which was held in the Spring. All the girls have enjoyed working in the FHA this past year and want to sincerely thank Mrs. Hiedlebaugh for her supervision.

LIBRARIANS

The librarians consist of a group of girls from grades nine through twelve. These girls devote one period a day to the duties of signing out books and magazines, checking them in, and helping find proper reading material for students. The substitutes put time in whenever they are needed. Besides the personal satisfaction they receive from a job well done they are a valuable asset to our school.

MIXED CHORUS

President. Jay Seibert
Vice-President. Clair Zimmerman
Secretary-Treasurer. Kay Pearson
Librarians. George Wilson - Georgia Fast

The Mixed Chorus got off to a good start at the beginning of the school year with a goodly number of students. There was only one thing wrong, there was a large defecit of boys. This was later cleared up by quite a few eighth graders who joined chorus the second semester.

The club was very active during the school year participating in Thanks-giving and Christmas programs. Much time and effort were spent in the pre-paration for the Eistedfodd and Choral Contest at Ada.

The Mixed Chorus has had a very successful and enjoyable year under the direction of Mr. Trunk.

Probably every high school student has thought of some things he would do if he were principal for a day. "No More Homework" is the tale of what happens when circumstances propel three students into the roles of principal, vice-principal, and school secretary, at Ames High School.

It all begins when Principal Lundquist just has to be away to speak at the State Principals' Convention. Miss Dill, regular school secretary, has a terrible cold and insists on going home for the day. The vice-principal, Mr. Obermayer, is confined to his bed with a high fever. It is then that Mr. Ames, school board president, decrees that the student council officers shall take over for the day. That's how Pamela Jones becomes acting principal!

She gets off to a bad start when--in trying to buzz for the janitor, "Tick" Tok--she rang the fire alarm bell instead. Then she has to decide whether to stand behind an unpopular teacher and keep the school's star athlete out of the State Basketball Tournament. Not the least of Pam's worries is good natured "Buzz" Bailey, acting vice-principal, who grandly advises gossip student, Midge Murphy that, "There shall be no more homework!" This brings the teachers out in full force to discover what is going on. Then there's Faversham Lightly, Jr. who would rather sleep than eat--and spends most of his time doing both! To add to Pam's grief, the "home ec" teacher is late and "Buzz", as acting vice-principal, takes over the class with some astonishing results!

And, finally, with the school play, "Rusty Wings" set to open that very night, Pam loses the key to the trunkfull of costumes, right after "Buzz" locked a limburger cheese sandwich in it! To complicate matters Tallulah Ploetz, leading lady of "Rusty Wings," gets sick unexpectedly and Pamela as her understudy, has to take her place even if she doesn't know all the lines. During the performance of "Rusty Wings" the play money is stolen and Pamela is blamed! After several hectic moments everything is straightened out and before the play ends, even audience has played a part.

Mr. and Mrs. Maxwell are having their twentieth-wedding anniversary. This fact has, however, slipped Dad's mind. Aunt Mary and the three children each call a florist and order flowers. When these arrive, there is also a bouquet from a Dr. Gooch. When Mother has lunch with Dr. Gooch, the family decides to do something about the wolf. The schemes are of course useless. Mother introduces Dr. Gooch, her college roommate, who is now a lady doctor. Dr. Gooch and her husband, who is also a doctor, are trying to get Dad a job on the local college board of directors. When the male Dr. Gooch comes to interview Dad, he is thrown out of the house. Matters are finally straightened out and peace is again restored. All these problems are unknown to mother, but she feels something has been going on. If Mother only knew!

The year 1953 saw fourteen boys winning varsity football letters for the Bearcats. Among the fourteen only four were seniors. These were Captain Norman Young, Chuck Hausser, Jack Boyer, and Dick Fissel. The other boys will have the opportunity to improve on the records of the past two years. Although the team didn't win any games in 1953, they must be given a lot of credit, because in most cases the opposing teams had as many as 30 or 40 boys while the Bearcat squad numbered about 15.

Another important fact which should not be overlooked is that only one game this did the 'Cats fail to score. That means that the boys are becoming more familiar with Coach Crile's "T" formation and they have more confidence in their own ability to operate it. The Coaches again stressed training rules and discipline during the 1953 campaign.

VARSITY BASKETBALL

The 1953-54 Bearcats got off to a slow start at the onset of the season. After weeks of hard work and determination, the Bearcats began to roll. Good team play was one of the greatest assets of the team as well as an attitude of not giving up.

Thus the Bearcats became a marked team after winning six of their last seven games. The teams in the area were pointing for them during the course of the remaining games.

The boys have been fine representatives of the school from their display of good sportsmanship. Spencerville can be proud of this basketball group.

RESERVE BASKETBALL

The Reserve Bearcats of the 1953-54 season were a determined and coachable group. They had a fair season but the next few years will prove their mettle. Their display of ability, desire to play and sportsmanship are attributes of good team play. Lots of luck to them!

BASEBALL 1953

The Spencerville Bearcats completed their season without winning a game. The squad had the help from two good pitchers, Joe Hirn and Bill Oackes, and a pretty good hitter, Charlie Harter.

Even though the boys were defeated, they have gained some knowledge on baseball, learned to work together, and have developed better sportsmanship.

JUNIOR HIGH FOOTBALL

Coach Zaborniak worked with an eager group of junior high boys and by the end of the campaign had molded them into a fine junior high football team. The boys lost two close games at the beginning of the year but came back strongly to win the last three by comfortable margins. These boys have the desire and the ability to play good football, and the coaching staff hopes that they lose neither. In basketball this year the Junior High team has done very well, showing a great desire to play the game. The 7th and 8th grade team has won two games and lost three. They have beaten Elida 38-37 and Harrod 50-44, while losing to Perry 25-13, Shawnee 37-18, and Gomer 37-14. The Varsity of Freshman team has a similar won-lost record: 2 wins and 3 losses. The two wins are over Harrod 36-34 and Gomer 51-27, while the losses to Elida 32-21, Perry 54-32, and Shawnee 55-26.

TRACK REPORT - 1953

COACH WES CRILE

The first meet of the year was held at Spencerville with local thin clads facing competition from Criddersville and Jackson Center. The final results were Jackson Center 70 $\frac{3}{4}$ points, Criddersville 45 $\frac{3}{4}$, and Spencerville 35 $\frac{1}{2}$. Homer Culver led all scoring with firsts in the low and high hurdles, high jump and 100 yard dash, for a total of 20 points.

Fine co-operation from every boy on the squad helped make the first meet a great success.

Our next big meet was a quadrangular meet at Shawnee with the following schools: Shawnee, Elida, Jackson Center, and Spencerville. Shawnee, with much more depth and overall team strength won handily, with the local lads losing third place by the narrowest of margins. Scoring ran Shawnee 110, Jackson Center 49 $\frac{1}{2}$, Elida 32 $\frac{1}{2}$, and Spencerville 32.

The Northwest Conference meet at Pandora loomed as our next big meet and the boys worked hard to prepare for it. We are proud of all of our boys, but some came through in great style at this meet. Ed Martin took a first place medal in the shot put, Wayne Whetstone, a third place medal in the pole vault, Walt Branstetter third place in the discus, Norm Young a fourth in the discus event and Culver and Bill Collins tied for fourth in the high jump. A fifth place ribbon went to our miler, Dick Fissel and also a fifth to our half-miler, Keith Steiger. The mile relay team also placed fifth and Young, Steiger, Winegardner, and Fissel each garnered a fifth place ribbon from that.

Much credit goes to our small squad which showed a wonderful spirit in the face of the odds of schools with much larger squads.

Warming up for the Lima Junior Olympics, we had a dual meet with Wapakoneta St. Joesph. Our spirits were dampened a bit by a steady downpour, but we had an interesting time. Our teams were very close both in number and competition.

At the Lima Junior Olympics our boys faced some tough competition with only one boy, Truman Bell, copping fourth place in the low hurdles. We had a very educational and interesting day though, as over 1,000 boys take part in the meet.

Our final meet of the year proved to be one of the most interesting. Spencerville, Wapakoneta St. Joesph, Celina, and Ottawa Public were the competing teams and the outcome was in doubt until the final event. Keith Steiger proved to everyone that he could run by coming from far back on several occasions and placing in the scoring. Fissel ran his usual good mile and won handily from four other boys. Norm Young copped second in the discus. Truman Bell took first in the low hurdles with Jerry Winegardner taking third. Wayne Whetstone won the pole vault at 8' 6". Winegardner took third.

Everyone on the squad deserves commendation for the fact that the final score read Ottawa 44, Celina 36 $\frac{1}{2}$, Spencerville 35 $\frac{1}{2}$, and Wapakoneta St. Joesph 32.

During the 1953 year, it was not quality we lacked, but quantity and we hope to remedy that in the near future by interesting more boys in track.

Row 1 - Left to right - W. Whetstone, J. Winegardner, R. Fissel, C. Daugherty. Row 2 - Left to right - J. Wilges, B. Collons, E. Martin, W. Branstetter, K. Steiger, Coach Crile, Camera shy: N. Young, T. Bell.

Perhaps you've noticed and tasted the delicious food sold by the band boosters at the football games. These wonderful mothers give generously of their time and efforts to help our band. With the proceeds received they buy equipment. Among the items purchased this year were a new sousaphone, sousaphone cases, music stands, several complete uniforms, and pins for the senior band members. The pins are miniatures of the instruments the seniors played while they were in the band. These pins, as well as the other awards, are given at the annual spring party sponsored by the band mothers. Hats off to these wonderful people!

The Booster's Club sells pop and popcorn at the football and basketball games. With the profits from these sales and the proceeds from their annual membership drive, they buy athletic equipment for the school. One of their main projects this year was to assume the responsibility for the yearly insurance on the interscholastic players. We would like to express our thanks to them for their generous support.

Left to right -- Roland Bowers, Carl Perry, Joe Meirer.

We, the members of the senior class, wish to take this opportunity to express our appreciation and sincere thanks to everyone who has contributed to the success of this yearbook.

We would like to extend a special "thank you" to our advertising patrons, whose help has made this annual possible.
